

Tiffany Pomegranate • Dichroic Leaded Glass and Bronze Table Lamp

Description

A magnificent lamp with the finely patinated bronze base in the Grecian Urn form and the 16 inch leaded dichroic glass shade in a wonderful example of the Pomegranate pattern displaying subtle autumnal shades of green, yellow and orange. The base and oil reservoir both stamped *TIFFANY STUDIOS NEW YORK 181*, the shade shade *TIFFANY STUDIOS NEW YORK 1457*.

A fine lamp acquired privately from a descendant of an old Ojai California family that had acquired it in the early years of the 20th Century.

American c.1910
