

A Good Pair of Mid 18th Century English Elm Trestle Benches

Inventory Number :080-104

Size:

Height: 18 inches

Width: 78 1/2 inches

Depth: 7 inches

Each with rounded rectangular seat, on baluster shaped trestle supports and downswept block feet.

These are a good solid pair of benches and are probably constructed of witch elm which has a good straight grain and resists warping. Retaining a good color they would be a great complement to a country farmhouse table.

English c. 1750
