

## A Delightful 17th Century Spanish Polychrome Carving of A Child

**Inventory Number :**140-105

**Price :\$**4,700

**Size:**

Height: 19 1/2 inches

Width: 13 inches

Depth: 7 1/2 inches

Originally from a larger piece, evidenced by the vacant mortise to the rear, the costume bandolier and stance of the subject may indicate a depiction of a boy soldier. The child wears a green coat emblazoned with a stylized four-leaf clover. The meaning of this remains obscure but tantalizingly could indicate an Irish connection.

Spanish, mid to late 17th Century
